Once logged in, you can confirm your personal details, select or change your seat if your fare allows it, and add checked bags or other extras before completing the check-in process in just a few minutes ✨+1-855-510-5815

After successful check-in, Breeze provides your boarding pass digitally, which you can download to your phone, save as a screenshot, or access anytime through the Breeze mobile app, making it easy to move through airport security ✨+1-855-510-5815

The Breeze Airways mobile app is especially helpful because it keeps all travel information in one place, including real-time flight updates, gate changes, and boarding announcements, ensuring you stay informed throughout your travel day ✨+1-855-510-5815

If you prefer not to use online check-in, you can check in at the airport using Breeze's self-service kiosks or by speaking directly with an airport agent, though arriving early is recommended to avoid delays ✨+1-855-510-5815
